Queenscare is an established business that provides a range of support services to clients with a disability and offers services to those funded through the National Disability Insurance Scheme. Queenscare engages with participants to make their lives easier, well supported and to improve quality of life.

Our mission is to provide quality, sustainable and flexible services that uphold human rights and create opportunities, empowering you to live the life you choose.

Values and Culture

Person Centred Approach in our services, and creative in our delivery plan.

Care in our relationships, and honest in our conduct.

Accountable in all our work, and responsible for our actions.

Respectful of your choices, and embracing of diversity.

Excellent in our work, and driven by our vision and values.

Our Vision Statement

More people in Queensland gain access to the services provided by Queenscare.

Our Staff

Our staff are well trained and supported to deliver the best care to our participants across the lifespan.
